

EXPERIENCE

Program Lead, Voice of the Customer — Apple

Oct 2022–Present

- Built and lead an enterprise Voice of the Customer program across Apple's highest-traffic internal products, synthesizing feedback into roadmap insights
- Redesigned and scaled an Innovative Thinking Program, delivering workshops to a global cross-functional audience
- Stepped into people management during an org transition, guiding a team of product managers through a seamless reorg

VP, Product Design & User Research — Livongo (now Teladoc)

May 2019–Sep 2022

- Scaled the design and research organization from 2 to 50+, building user research, health equity, and design operations functions from the ground up
- Led consumer product strategy from investment pitch through successful launch, grounding every decision in user research
- Owned design strategy and corporate OKRs driving post-acquisition product integration across Teladoc

VP, Product Design — Ibotta

May 2018–Feb 2019

- Restructured the product design team and set a new design direction for the consumer experience
- Influenced product strategy by embedding user research into the roadmap planning process

Senior Director, Brand — Financial Engines

Jun 2012–Dec 2017

- Led a 10-person team of creative directors, designers, and content strategists
- Defined and rolled out a brand strategy aligned with the company's new corporate direction
- Served on the corporate acquisition team, leading design due diligence and integration

UX & Content Strategy Consultant — SF Bay Area

Jan 2009–Jun 2012

- Facebook: Led cross-functional team to research, prototype, and ship user education experiences
- LinkedIn: Defined the voice and tone framework for product communications
- Intuit: Led content development for a new product launch

Principal, UX Design & Content Strategy — eBay

Sep 2005–Dec 2008

- Founding member of the holistic design team chartered to simplify the eBay experience
- Created the first eBay Product Voice Guide, establishing content strategy as a practice within UX Design
- Managed a team of 15 content strategists responsible for all interface content across eBay

Senior Producer & Product Manager — Yahoo! Travel

Sep 2001–Apr 2005

- Managed licensing relationships with media partners and travel publishers
- Transitioned product content from 3rd party to user-generated content
- Coordinated design, production, and engineering efforts for all content features

PROFILE

Customer-obsessed design and research leader with 20+ years turning user insights into product strategy at Apple, eBay, Livongo, and Yahoo. Track record of building high performing teams and driving cross-functional alignment.
